GTD TC24 TRACKED CARRIER

The **TC24 Tracked Carrier** serves as a multifunctional tool, offering the flexibility to transport **and power** a diverse range of equipment and tooling efficiently. For example; our **MG500 mud cleaning system**, compressors, additional rods & casing and other auxiliary equipment. It can also be fitted with a crane and rod/casing handling equipment.

Additionally, it acts as a **hydraulic power pack** that can power auxiliary equipment such as a **piston pump, grouter and hydraulic loop reeler**.
